Professor em Machine Design
KTH – Royal Institute of Technology, Stockholm

2022

- **Persson, J-G., *Design parameter study to extend the capacity range of dry twin screw compressors.*** International Conference on Screw Machines – ICSM 2022, Dortmund, September 2022.
IOP Conference Series: Materials Science and Engineering 1267 (open access)
<https://iopscience.iop.org/article/10.1088/1757-899X/1267/1/012009/pdf>
- **Hauge R., Persson J-G., Vinel A., Aivaras K. and Sipi M., *Targeted Evaluation TalTech – Evaluation Report.*** Estonian Research Council, internal report, September 2022.

2021

- **Bouillard P., Nikolopoulou M., Persson J-G., Koppel K. and Rauttiola M., *Evaluation of research and PhD Programme in Architecture at the Estonian Academy of Arts.*** Estonian Research Council, internal report, June 2021.

2017

- **Persson J-G., Green J. and Nikolopoulou M., *2017 regular evaluation of Estonian research and development.*** Estonian Research Council, internal report, May 2017.

2016

- **Persson, J.-G., *Product development and design methodology - Research and application in industry.*** Conference Design and Production Engineering, Berlin, July 2016.
- **Persson, J.-G., *Current trends in product development.*** CIRP 26th Design Conference 2016, KTH Stockholm, June 2016.
Procedia CIRP, Volume 50, 2016, Pages 378-383, 2016.

2015

- **Sakao, T. and Lindahl, M., submitted by Persson, J-G. *A method to improve integrated product service offerings based on life cycle costing.*** CIRP 65th General Assembly 2015, Cape Town, South Africa, August 2015. CIRP Annals Manufacturing Technology Vol 64/1/2015, Elsevier, 2015.

2013

- **Johannesson, H., Persson, J-G. and Pettersson, D. *Produktutveckling - effektiva metoder för konstruktion och design (Product Development and Design – effective methods for engineering and industrial design).*** 2nd revised edition, Liber förlag, ISBN 978-91-47 10582-3, Stockholm, 2013.

2012

- **Persson J-G., van Houten F., Birkhofer H., Tsakiroopoulos P. and Salo A., FIMECC Evaluation Panel Report, Evaluation of SHOKS.** Academy of Finland, internal report, November 2012.
- **Sakao, T. and Lindahl, M.,** submitted by **Persson, J-G. A value based evaluation method for Product/Service System using design information.** CIRP Annals 2012 Manufacturing Technology, Vol 61/1/2012, Elsevier, 2012.

2010

- **Brogårdh, T., Lundberg, I., Wäppling, D., Feng, X., Robberts, O., Johansson, J., Frisk, M. and Persson, J-G.** **Parallell kinematic manipulator and a method of operating the same, including pair-wise actuators.** European patent EP 1 594 661 A0 A, granted 2010-02-17.
- **Persson, J-G. Compressor Heat Recovery potential.** Industrial report, Stockholm, Sweden, 2010-03-30

2008

- **Grip, R. and Persson, J-G. The dynamic motion and constraint forces of an axial piston type steam expander.** NordDesign 2008 conference, The Design Society, Tallinn, Estonia, August 2008.

2007

- **Persson, J-G. Miljö i ett Företagsperspektiv (Environment from an industrial perspective).** 3rd edition, chapter 15 Produktutveckling (Product Development). Prentent AB, December 2007.
- **Persson, J-G. and Johannesson, C-M. Under Ytan - en antologi om designforskning (Under the surface – an anthology on Industrial Design Research).** Chapter: Innovation - Produktframtagning. Raster Förlag & SVID - Stiftelsen Svensk Industridesign (The Swedish Foundation for Industrial Design), May 2007.

2006

- **Persson, J-G., Sjöstedt, C-J. and Chen, D-J. Automotive Fuel Cell System simulation, component and compressor modelling.** Schraubenmaschinen 2006, VDI-Berichte 1932, pp 217-235, VDI - Verein Deutsche Ingenieure, Dortmund, Germany, September 2006.
- **Persson, J-G., Johannesson, H. and Pettersson, D. A new Swedish textbook on Product Development and Design.** NordDesign 2006 conference, The Design Society, Reykjavik, Iceland, August 2006.
- **Persson, J-G. Role of Engineering in Modern Society - Current trends in Product Development** (Key-note paper). The DAAAM Baltic 2006 conference, Tallinn, Estonia, April 2006.
- **Persson, J-G. The Product Development Process and Design Methods.** Nordic PhD course seminar text, Tallinn, Estonia, April 2006.

2005

- **Sjöstedt, C-J. and Persson, J-G. *The design of modular dynamical fluid simulation systems*.** OST 05 Symposium on Machine design, Oulu, Finland, October 2005.
- **Sjöstedt, C-J., Chen, D-J., Prenninger, P., Faye, I., Huelshorst, T., Kells, A., Harkness, I. and Schönfelder, C. *Virtual Component Testing for PEM Fuel Cell Systems: An Efficient, High-Quality and Safe Approach for Suppliers and OEM's*.** 3rd European PEFC Forum, Luzern, Switzerland, July 2005.
- **Persson J-G. et al, *Evaluation Panel Report, Evaluation of Finland Research in Mechanical Engineering*.** Academy of Finland, internal report, 2005.

2004

- **Johannesson, H., Persson, J-G. and Pettersson, D. *Produktutveckling - effektiva metoder för konstruktion och design (Product Development and Design – effective methods for engineering and industrial design)*.** 1st edition, ISBN 91-47-05225-2, Liber förlag, Stockholm, December 2004.

2003

- **Persson, J-G. *Technology-Economy-Design: TED Integrated Product Development in Cross Disciplinary teams*.** 14th International Conference on Engineering Design, ICED - The Design Society, Stockholm, Sweden, August 2003.
- **Persson, J-G. and Andersson, K. *Modelling and model based performance prediction for parallel kinematic manipulators*.** Mekatronikmötet 2003, Gothenburg, Sweden, August 2003.
- **Persson, J-G. *Model based development of Parallel Kinematic Robots*.** OST-03 Symposium on Machine Design, Stockholm, Sweden, June 2003.

2002

- **Andersson, K., Persson, J-G., Kjellberg, T., Johansson, P., Enlund, T., Schmidt, O., Svengren, L., Rynnel, H., Avellán, L. and Holmer, B. *Produktframtagning för design- och nischsamhällets krav - DENNIS, Slutrapport del 1 (Product realisation for the design- and niche-oriented society requirements)*.** Rapport för Vinnova, Stockholm, Sweden, 2002.
- **Persson, J-G. *Fluidmaskiner av Scroll-typ: Utvärdering av synkroniseringsmetoder, samt av tillämpningen förbränningsmotor. (Scroll Type Fluid machines)*.** Industrial report, Stockholm, Sweden, January 2002.

2001

- **Antonsson, A-B. and Persson, J-G. *Miljö i ett Företagsperspektiv (Environment from an industrial perspective)*.** 2nd edition, chapter 15 Produktutveckling (Product Development). Arbetslivsinstitutet & IVL, ISBN 91-7522-721-5, Stockholm, Sweden, 2001.

- **Kang, J-G., Lee, D-H., Xirouchakis, P. and Persson, J-G. *Parallel Disassembly Sequencing with Sequence-Dependent Operation Times*.** CIRP Annals 2001 Vol. 50/1/2001, CIRP 50th General Assembly, Nancy, France, August 2001.
- **Persson, J-G. *Introductory Keynote speech*.** OST 01 Symposium on Machine Design, Tallinn, Estonia, October 2001.
- **Persson, J-G. *Balancing Structured Design Processes and Innovative New Product Development*,** 10th IAMOT 2001-Management of Technology, Lausanne, Switzerland, 2001.
- **Persson, J-G. *Eco-indicators in product development*.** Journal of Engineering Manufacture, Vol 215 No B5, pp 627-635, 2001.
- **Wallin, Å., Andreasson M., Lundberg, I., Skutberg, H., Brogårdh, T. and Persson, J-G. *ABB Patent application: Industrial Robot*.** Application number SE 0100 135-3, January 2001.

2000

- **Persson, J-G. *Turbo vs ´ displacement type fluid machinery - characteristics and operating ranges*.** ICME ´2000 First International Conference on Mechanical Engineering, Shanghai, China, November 2000.
- **Persson, J-G. and Andersson, K. *Integrated Product Development - multiple views of complex and heterogeneous systems*.** ICME ´2000 First International Conference on Mechanical Engineering, Shanghai, China, November 2000.
- **Persson, J-G., Luttrupp, C. and Schlüter, F. *Eco-indicators in Product Development – a simplified approach to DfE*.** CIRP 7th International Life Cycle Engineering Seminar, Tokyo, November 2000.
- **Wallin, Å., Andreasson M., Lundberg, I., Skutberg, H., Brogårdh, T. and Persson, J-G. *ABB Patent application: Industrial Robot Device*.** Application number SE 000 2576-7, July 2000.
- **Persson, J-G. *Optimering och beräkning av driftområden för strömningsmaskiner av deplacementstyp med godtycklig maskingeometri (Optimisation and estimation of operating ranges for displacement type fluid machinery of arbitrary geometry)*.** Mekanisten 2000:1, Svenska Mekanisters Riksförening - SMR, Stockholm, Sweden, March 2000.
- **Persson, J-G. *Feasibility study on Isothermal Compression*** (in Swedish), Industrial report, January 2000.

1999

- **Xirouchakis, P., Kiritsis, D. and Persson, J-G. *A Petri Net Technique for Batch Delivery Time Estimation*.** CIRP Annals, CIRP 48th General Assembly ´99, Montreaux, Switzerland, August 1999.
- **Persson, J-G. *Product design towards sustainability, Eco-indicators for product utility and environmental load*.** Design Recherche Revue, Compiègne, France, 1999.

- **Persson, J-G. *Eco-Indicators, Product utility vs. Environmental load.*** CIRP 6th International Symposium on Life Cycle Engineering, pp 360-369, Kingston, Canada, June 1999.
- **Persson, J-G. and Antonsson, A-B. *Miljö i ett Företagsperspektiv (Environment from an industrial perspective).*** 1st edition, chapter 14 Miljöanpassad produktutveckling (Environmentally adapted Product Development), Arbetskyddsmyndigheten, ISBN 91-7522-624-3, Stockholm, Sweden, 1999.
- **Persson, J-G. *Dematerialisation – Some Implications on Product Design.*** Invited paper, EcoDesign '99: 1st International Symposium on Environmentally Conscious Design and Inverse Manufacturing, IEEE, Tokyo, Japan, February 1999.

1998

- **Persson, J-G. and Berg, J. *Design in Engineering education - orientation, integration and cross disciplinary teams.*** International Seminar on Design in Engineering Education, Odense, Denmark, October 1998.
- **Erdős, G., Xirouchakis, P. and Persson, J-G. *Modeling and Evaluating Product End-of-Life Options.*** CIRP 5th International Seminar on Life Cycle Engineering '98, Department of Machine Design, KTH, Stockholm, Sweden, September 1998.
- **Persson, J-G. and Luttrupp, C. *Editors: Proceedings CIRP 5th International Seminar on Life Cycle Engineering, Life Cycle Design.*** CIRP 5th International Seminar on Life Cycle Engineering, Life Cycle Design, KTH, Stockholm, Sweden, September 1998.
- **Andersson, K. and Persson, J-G. *Editors: Proceedings NordDesign '98.*** 2nd NordDesign conference, KTH, Stockholm, Sweden, August 1998.
- **Xirouchakis, P., Kiritsis, D. and Persson, J-G. *A Petri Net Technique for Process Planning Cost Estimation.*** CIRP Annals, CIRP 47th General Assembly '98, Athens, Greece, August 1998.

1997

- **Persson, J-G. *A Product System Model approach, preliminary implementation of Disassembly, Reuse and Recycling evaluation.*** Seminar, CAD/CAM-laboratory, École Polytechnique Fédérale de Lausanne-EPFL, Lausanne, Switzerland, November 1997.
- **Persson, J-G. *Product Development for the Sustainable Society.*** Seminar, CAD/CAM-laboratory, École Polytechnique Fédérale de Lausanne-EPFL, Lausanne, Switzerland, October 1997.
- **Persson, J-G. *Changing conditions for industrial development require new methods for Management of Technology.*** Key-note paper, Management of Technology MOT '97, 6th International IAMOT Conference on Management of Technology, Gothenburg, Sweden, June 1997.
- **Persson, J-G. *TED - Experience from interdisciplinary design projects-Engineering Design-Economy/marketing-Industrial Design.*** 2nd International Conference on Teaching Science for Technology at Tertiary Level, KTH, Stockholm, Sweden, June 1997.
- **Persson, J-G. *TED - Experience from interdisciplinary design projects with students in engineering design, industrial design and marketing.*** EAD 2nd European Academy of Design Conference, KTH, Stockholm, Sweden, April 1997.

1996

- **Persson, J-G. *Product design for reuse and recycling - One way of supporting dematerialization?*** AFR International Seminar on Dematerialization, AFR-report 136, Swedish Environmental Protection Agency, Stockholm, Sweden, June 1996.
- **Persson, J-G. *Product design for environmental optimal service life time.*** CIRP 3rd International Seminar on Life Cycle Engineering, ECO-Performance '96, Zürich, Switzerland, March 1996.

1995

- **Persson, J-G. *User-adapted and efficient modelling and performance simulation in product design.*** Inter-university seminar Berlin-Twente-Tokyo-Stockholm, Berlin, December 1995.
- **Persson, J-G. *Product design for recycling of components and materials.*** Inter-university seminar Berlin-Twente-Tokyo-Stockholm, Berlin, Germany, December 1995.
- **Persson, J-G. *Design och produktion för kretslopp (Design and Production for Recycling).*** Seminar Notes, Kretslopp till vilket pris?, Department of Environmental Technology and Work Science, KTH, Stockholm, Sweden, December 1995.
- **Makkonen, P. and Persson, J-G. *Optimisation of a servo system: the design of control, transmission and motor selection.*** Internal report 95/3, Department of Machine Design, Engineering Design, KTH, Stockholm, Sweden, November 1995.
- **Andersson, K., Makkonen, P. and Persson, J-G. *A proposal to a product modelling language to support conceptual design.*** CIRP 44th General Assembly, Enschede, The Netherlands, August 1995.
- **Persson, J-G. *Design for Recycling of Components and Materials.*** Swedish Waste Research Council, AFR-dagarna 1995, Gothenburg, Sweden, August 1995.
- **Persson, J-G. *Product Development & Business Strategy.*** Seminar notes, TEMPUS-seminar, TEMPUS Phare contract S_JEP-08048-9 Tallinn Technical University, Department of Machine Design, KTH, Stockholm, Sweden, April 1995.
- **Persson, J-G. *Konstruktion för återvinning (Design for Reuse and Recycling).*** Temadag: Plast i verkstads tekniska konstruktioner (Polymer Materials in mechanical products), Konstruktörsstämman '95, Gothenburg, Sweden, 1995.
- **Persson, J-G., Luttrup, C., Ritzén, S. and Åkermark, A-M. *Design for Recycling - A survey on activities in industry and at universities.*** AFR-report 79, Swedish Environmental Protection Agency/Waste Research Council, Stockholm, Sweden, 1995.

1994

- **Persson, J-G. *Machines et Systemes Thermique, chapitres I-II.*** Lecture notes, translated to French, University of Liège, Department of Thermodynamics, Liège, Belgium, 1994.

- **Persson, J-G. *Produktutvecklingsprocessen (Lecture notes for continued education of designers in Swedish industry: The product development process)***. Konstruktörsprogrammet, KTH, VI, STFi, SVID, Stockholm, Sweden, 1994.
- **Persson, J-G. *Tillämpad Hållfasthetslära för Konstruktörer (Lecture notes for continued education for designers in Swedish industry: Applied Structural and Solid Mechanics)***. Konstruktörsprogrammet, KTH-VI-STFi-SVID, Stockholm, Sweden, 1994.
- **Persson, J-G. *Screw expanders for small scale cogeneration.*** Schraubenmaschinen '94, VDI Berichte 1135, pp 75-91, VDI – Verein Deutsche Ingenieure, Dortmund, October 1994.
- **Persson, J-G. and Makkonen, P. *Configuration and Dimensional Synthesis in Mechanical Systems, An Application for Planar Mechanisms.*** CIRP 43rd General Assembly, Singapore, August 1994.
- **Persson, J-G. *Simulation Techniques for performance of volumetric fluid machinery.*** SIMS '94, 34th Nordic Simulation Conference, Stockholm, Sweden, August 1994.
- **Persson, J-G. *Design Methodologies and Support Methods, How to Establish Consensus in Academia and Industrial application?*** CIRP International Workshop on Design Theory and Methodology, KTH, Stockholm, Sweden, June 1994.

1993

- **Persson, J-G. *Some aspects on Mechanical Design of High Speed Rotary Machines.*** KTH Seminar on High Speed Electrical Drives, Electric Power Center, KTH, Stockholm, Sweden, December 1993.
- **Persson J-G. *Utvärdering av ångmotorn RAN (Evaluation of the RAN advanced steam engine).*** NUTEK-The Swedish National Board for Industrial Technical Development, Stockholm, Sweden, 1993.

1992

- **Persson J-G. *Displacement type expanders for small-scale cogeneration.*** Seminar, University of Liège, Department of Thermodynamics, Liège, Belgium, 1992.
- **Persson, J-G. *Turbocompressor design modifications and performance prediction for various applications.*** Compressor and expander workshop, University of Liège, Department of Thermodynamics, Liège, Belgium, 1992.

1991

- **Persson, J-G. *Displacement and turbo compressors - Characteristics and design features.*** Seminar, University of Liège, Department of Thermodynamics, Liège, Belgium, 1991.
- **Persson, J-G. *Performance mapping versus design parameters for displacement compressors.*** Seminar, University of Liège, Department of Thermodynamics, Liège, Belgium, 1991.

1990

- **Persson, J-G. *Performance mapping versus design parameters for screw compressors and other displacement compressor types.*** Schraubenmaschinen '90, VDI-Berichte 859, pp 15-31, VDI – Verein Deutsche Ingenieure, Dortmund, Germany, October 1990.
- **Persson, J-G. *Konstruktion - Mer än bara funktionen (Design - more than just the functional performance).*** Conference at the annual Swedish Technical Week, Stockholm, Sweden, October 1990.
- **Persson, J-G. *Performance evaluation of fluid machinery during conceptual design.*** CIRP 39th General Assembly '90, Berlin, Germany, August 1990.
- **Persson, J-G. *Funktionssimulering vid konceptkonstruktion (Performance simulation during conceptual design).*** IVF/KTH, MCAE seminar, KTH, Stockholm, Sweden, 1990.

1988

- **Persson, J-G. *Kompressorkonstruktioner för industriella tillämpningar (Compressor designs for industrial applications).*** Mekanisten 1988:1-2, Svenska Mekanisters Riksförening-SMR, Stockholm, Sweden, 1988.

1987

- **Persson, J-G. *Heat exchange in liquid injected screw compressors.*** Schraubenmaschinen '87, VDI Berichte Nr 640, pp 121-135, VDI – Verein Deutsche Ingenieure, Dortmund, Germany, September 1987.

1986

- **Persson, J-G. *Heat exchange in liquid injected compressors.*** Licentiate thesis, Department of Fluid Technology, KTH, Stockholm, Sweden, January 1986.

1971

- **Persson, J-G. *Maskinelement och enkel dimensionering (Machine elements and elementary dimensioning).*** Presentation within the section "Datorn i konstruktionsarbetet – från komponent till anläggning (Computers in engineering – from component to plant design", conference "Data-kontor 71", Stockholm, Sweden, 21 October 1971.
