

We are happy to invite you to the  
**3<sup>rd</sup> Conference of the Swedish Protein Materials Network**

*Protein materials for a sustainable future*

**7<sup>th</sup> - 8<sup>th</sup> of March 2019 at KTH Albanova, Stockholm**

This conference will bring together researchers and students from various fields related protein material, e.g. new bioplastics, food production, biomedicine and nanomaterials. Thanks to generous support of the KTH sustainability office, FORMAS and VR, the conference is **free of charge for all participants**.

*Confirmed speakers:*

**Tuomas Knowles** (University of Cambridge, UK)

**Sarah Bondos** (Texas A&M University, USA)

**Sierin Lim** (NTU, Singapore)

**Marleen Kamperman** (Groningen, Netherlands)

**Artur Ribeiro** (University of Minho, Portugal)

**Oliver Lieleg** (TUM, Germany)

**Karin Åkerfeldt** (Haverford College, USA)

**Ramune Kuktaite** (SLU, Sweden)

The conference is open for abstract submission for both poster and oral presentation.  
**Abstract submission deadline is on the 20th of January**

Registration and abstract submission: <https://sweprotmat.biotech.kth.se>
