

APRIL 27, 2023: WORKSHOP AND VISIT TO SWIC

Get to know more about SWIC – Sjöstadverket Water Innovation centre

Sjöstadverket is the pilot facility owned and operated by IVL Swedish Environmental Research Institute and KTH, now relocating to Loudden in Stockholm.

Welcome to a workshop where we inform about SWIC, Sjöstadverket Water Innovation Centre, and together initiate projects which can be performed there.

Agenda

- Presentations of former successful projects at Sjöstadverket.
- Virtual tour at the former plant, showing the facilities.
- Afternoon fika.
- Workshop and/or speed dating around topics selected that day.
- On-site visit at Loudden.

Read more about Sjöstadverket Water Innovation Centre at the website www.ivl.se/sjostadsverket (in Swedish)

Questions about SWIC or the event can be sent to:

- Isaac Owusu-Agyeman: isaacoa@kth.se
- Mayumi Narongin-Fujikawa mayumi.narongin@ivl.se
