

Cleaning product guide

You will need these cleaning supplies:

ALL PURPOSE CLEANING

EXAMPLE: GRÖN SÅPA / GREEN SOAP

Såpa is non-toxic and can be used for all surfaces, toilet, stovetop, inside oven and also for mopping floors. Dilute according to the bottle and swab with a damp mop. Use only TREND floor cleaner, for Teknikringen flooring.

WASHING-UP LIQUID

EXAMPLE: GRUMME

For dishwashing and greasy stains.
2ml liquid is enough for 5 liters of water.

DESCALE AGENT

FOR LIMESCALE REMOVAL

EXAMPLE: KALCINEX

Use in bathroom on tiles and porcelain surfaces on shower walls and toilet. Always use rubber gloves! Apply on a sponge. Wipe of the areas and rinse with water.

MICROFIBER CLOTHS

Use on stainless steel, any surfaces, cabinet doors, mirrors, etc. For dusting, use the cloth dry. For cleanup and polish, wet the cloths in hot water.

Machine wash microfiber cloths and mop heads with regular detergent weekly, do not use softener.
