

How to apply for exchange studies at KTH

Webinar: 27 March 2024

We will guide you today

Charlotte Almqvist
Regional advisor

Malin Vestin
International coordinator

Rita St Clair Maitland
International coordinator

Today's topics

- Going through the application in Mobility-Online, step-by-step
- What will happen after you have submitted your application
- How to contact us if you have further questions

Feel free to ask questions in our Q&A chat!

Let's go to Mobility-Online

How to apply for exchange studies

If you have been nominated by your home university for exchange studies at KTH you also need to complete an online application. Make sure that you complete your application before the deadline. Applications received after the deadline will not be considered.

Application deadlines

15 April, 12 noon Swedish time (CEST)

For exchange studies in the **autumn semester 2024**, full academic year and double degree, the application opens on 15 March 2024.

15 October, 12 noon Swedish time (CEST)

For exchange studies during the **spring semester 2025**, the application opens on 15 September 2024.

Application

The application is open

The application is now open for exchange studies in the autumn semester of 2024, full academic year, and double degree. Read the information below about the application process before starting your application.

The application closes on 15 April at 12 noon Swedish time (CEST).

What happens after submitting your application?

Letter of acceptance

- After the application deadline, the schools will review all applications.
- Letter of Acceptance will be sent out between 22-26 April.
- After receiving your Acceptance letter, we will ask you to make a more detailed course selection. We will ask you about the code of the courses you have selected and ask you to check that you have chosen 50% of your courses at your KTH School.

Accommodation and arrival

- KTH Accommodation will contact you with information about accommodation after the application deadline. However, Stockholm's housing situation is difficult, and we encourage you to start looking on your own as soon as possible
- As an exchange student at KTH, it is essential that you are here on any of the arrival days: 1 and 17-18 August. If you have to come later, you must contact the International Coordinator at your school.
- If you do a degree project at KTH, looking for a supervisor well before the course starts is important. You must also finish the course and complete all mandatory course modules, including defending your thesis at the final seminar at KTH.

Get in touch with us

On kth.se/exchange, you will find contact information for the coordinators at each KTH school.

- ABE (Architecture students): international@arch.kth.se
- ABE: international.exchange@abe.kth.se
- EECS: exchange.in@eecs.kth.se
- SCI: exchange-in@sci.kth.se
- CBH: international@cbh.kth.se
