David Lowenthal is Professor Emeritus of Geography at University College London. His books include *The Past Is a Foreign Country*, *West Indian Societies*, and *The Heritage Crusade and the Spoils of History*. Lowenthal's multidisciplinary research addresses the relationship between nature and culture in a broad sense, including fields such as cultural geography, heritage and landscape studies, and conservation practices. He has worked for UNESCO, ICOMOS and the British Museum. Since 2001, he is a member of the British Academy.
