

# **Installation Guide**

## **Mathcad Prime**

## Step 1

Run the installation from setup.exe. Select “**Install new software**”, press **Next**.

## Step 2

Read the license agreement, mark “I accept the software license agreement” and Check the box “By checking this box, O confirm that ...”, press. **Next.**

The screenshot shows the 'PTC Installation Assistant - Mathcad Prime 6.0.0.0' window. On the left is a vertical navigation pane with five items: 'Introduction' (checked), 'Software Agreement' (highlighted), 'Application Selection', 'Installation', and 'Finish'. The main area features the PTC logo and the title 'Software License Agreement'. Below the title, it states: 'To continue, you must read and accept the terms of the software license agreement.' A scrollable text box contains the 'PTC CUSTOMER AGREEMENT' terms. At the bottom of the main area, there are two radio buttons: 'I accept the software license agreement.' (selected) and 'I decline the software license agreement.' Below these is a checked checkbox with the text: 'By checking this box, I confirm that the software is being installed and used in compliance with the [Export Agreement](#). I agree to the terms of the [Export Agreement](#) and the export terms of the above License Agreement.' At the bottom right of the window are 'Back' and 'Next' buttons.

Enable diagnostic data collection for these applications.

Help us improve PTC products! When you install PTC products, you also download Diagnostic Tools. These diagnostic tools collect information about your hardware and how you use the software. These tools do not collect your name, address, email or other personal information. PTC is committed to protecting your privacy and the content of your documents is NEVER collected. With a paid license, you can disable the diagnostic functionality if you desire to do so. [Click here for more details.](#)

Back Install

## Step 4

Wait until the installation is completed, press **Finish**.

## Step 5

Start "PTC Mathcad License Wizard".

## Step 6

Chose the option "Activate purchased license" to activate with the license key that you obtained from the IT support, press **Next**.

## Step 7

Sign in with your PTC account or create a new account, press **Next**.

The screenshot shows a software window titled "PTC Mathcad License Wizard". On the left is a vertical sidebar with five steps: "Welcome" (checked), "Login" (highlighted in green), "Provide Information", "Acquire License", and "Done". The main area features the PTC logo and the heading "Login". Below the heading, it states "To acquire a license you will need a PTC.COM account." There are two radio button options: "I have a PTC.COM account." (selected) and "I am new to PTC.COM and need to create an account." Under the selected option, it says "Enter your PTC.COM account credentials to log in" and provides input fields for "Email:" (containing "tesmrj@kth.se") and "Password:" (masked with dots). At the bottom, there are three buttons: "Back", "Next" (highlighted in green), and "Exit".

Step 7

## Step 8

Type your product code that you received from the KTH IT support. The product code will activate only on installation of Mathcad Prime, press **Next**.

The screenshot shows the 'PTC Mathcad License Wizard' window. On the left is a vertical navigation pane with five steps: 'Welcome' (checked), 'Login' (checked), 'Provide Information' (highlighted in green), 'Acquire License', and 'Done'. The main area features the PTC logo and the title 'Provide Information'. Below the title, it says 'Provide the required information below.' There are three input fields: 'Product code:' (highlighted with a red box), 'Host ID:' (containing '00-0C-29-89-E0-AA'), and a third empty field. At the bottom, there are three buttons: 'Back', 'Next' (highlighted in green), and 'Exit'.

## Step 9

Proceed and press **Acquire License**.
