

Optopub at Acreo and PhotonicSweden

Where: Swedish ICT meeting room Knuth

(Electrum, Isafjordsgatan 22, hiss B, plan 6)

When: 2014-05-22, Thursday, 5:30pm

Rolf Leidhammar will present Swedish ICT – a group of world-class research institutes (Acreo, Interactive Institute, SICS and Viktoria) in the forefront of ICT research and development.

Prof. Clivia M. Sotomayor Torres from ICN2 (ICREA, Catalan Institute of Nanoscience and Nanotechnology) Barcelona, Spain will give a talk on trend and roadmap of photonics in EU. She is also a visiting Professor at the School of ICT, KTH since Oct. 2013.

Then, smörgåstårta will be served with delicious beers, **free of charge.**

Registration before May 21
