SweGRIDS conference, November 2013

Thursday 21st of November, at KTH

This is our opportunity for interaction between all the SweGRIDS researchers, supervisors and sponsors. The funded researchers (PhD students and Postdocs) present their work in a poster session, and a project is presented from each of the five SweGRIDS Research Areas. A prize of 5000:- is offered for the Best Poster.

- [08:15 putting up posters, coffee]
- 09:00 Welcome
Rajeev Thottappillil (KTH), SweGRIDS director
Mikael Dahlgren, Chairman of SweGRIDS board
- 09:30 Keynote
Mikael Dahlgren (ABB Corporate Research)
- 10:00 Presentations: A project from each Research Area
MATERIAL – Smart Grids Materials Technology
STORAGE – Electric Energy Storage
CIPOWER – Controllable and Intelligent Power Components
SMARTPOWER – Smart Grids from Power Producers to Consumers
INSTINCT – ICT Solutions for Active Distribution Networks and Customer Interaction
- 11:00 Poster Session, with buffet lunch
- 12:20 Judging and award of Best Poster prize
- 12:30 End of conference

The conference is held at KTH, in the room E2.
Address: Linstedtsvägen 3, 114 28 Stockholm.

From the underground (T-bana), take the Tekniska Högskolan exit and walk up the hill for a minute. Go through the gateway of the original KTH building, and take the door into the left part of the building. Go up the stairs then down the corridor to the right.
