Instructions for applying to the ITRL Summer Scholarship 2016

Required documents:

1. Application letter with your own motivation for why you want to do this work, a description of the relevance to the research areas of ITRL, and a description to how you will use the money (reimbursement, travel, housing, material etc.)
2. CV and study status (year, program, grades)
3. Activity description. Explain what you will do. A clear description of planned activities/work (Period of planned work). Collaboration partners / supervisors (contact persons for where you intend to conduct your practice/internship)
4. Request for additional support. Need for additional supervision or office/lab space at ITRL

Submit your complete application documents to ITRLs administrative coordinator:
Nora Espahbodi (noespah@kth.se)

*A formal decision on the selected scholars will be sent out beginning of July.
The scholarship holders will be required to give a work/result presentation at the end of August, preliminary 26/8 11.30-13.30 at ITRL, with a following demo of results that have been implemented.
