TRACK PREREQUISITES:

Each of the programme tracks requires documented knowledge in mechanical engineering.

In addition, if you have chosen the Mechatronics Track or the Internal Combustion Engines Track, we also require documented knowledge of the specific topics below.

Please indicate which courses on your transcript meet these requirements. (If necessary, you may list more than one course per topic.)

Mechatronics Track				
Required course	Course code(s)	Course name(s)	Credits	Grade(s)
Computer programming	_____ _____	_____ _____	_____ _____	_____ _____
Control theory	_____ _____	_____ _____	_____ _____	_____ _____
Electrical engineering	_____ _____	_____ _____	_____ _____	_____ _____

Internal Combustion Engines Track				
Required course	Course code(s)	Course name(s)	Credits	Grade(s)
Thermodynamics	_____ _____	_____ _____	_____ _____	_____ _____
Control theory	_____ _____	_____ _____	_____ _____	_____ _____

TRACK MOTIVATION

In the space below, motivate why you want to be admitted into the Engineering Design Master's programme, focusing particularly on the Track you have chosen (Internal Combustion Engines, Machine Design, or Mechatronics). Furthermore, explain what skills you have that you feel will help you succeed in the programme, and tell us how the programme would benefit from having you as one of its students.
