Summary sheet for master programme in Integrated Product Design

1. Personal details

1.1 Full name of applicant

1.2 Application number at
www.universityadmissions.se

2. BSc degree and university ranking

2.1 Full title of applicant's Bachelor degree (or ongoing degree programme)

2.2 Full name of the university and country where the BSc degree is/will be issued

2.3 *World ranking of the university given under 2.2 above (if available):*

2.3.1 According to <http://www.timeshighereducation.co.uk>

2.3.2 According to <http://www.topuniversities.com>

2.3.3 According to <http://u-multirank.eu>

3. Overall study performance and English proficiency

3.1 CGPA in local grades and as % of maximum grade *

Value

%

3.2 Maximum grade and minimum pass grade in local grade system

Max grade

Min pass grade

3.3 Number of hours of education equivalent to one year of full-time studies

3.4 Your ranking in class (if stated in your transcript)

Top 5%

Top 10%

Top 25%

N/A

3.5 *Results from English test (TOEFL and/or IELTS):*

3.5.1 TOEFL score

Overall

Listening

Reading

Writing

Speaking

3.5.2 IELTS score

Overall

Listening

Reading

Writing

Speaking

* = Cumulative Grade Point Average from first to the latest completed semester.

Tools and guides for calculations can be found at [<http://www.foreigncredits.com/Resources/GPA-Calculator/>].

4. Courses required to fulfill the specific requirements for the track

Industrial Design Engineering

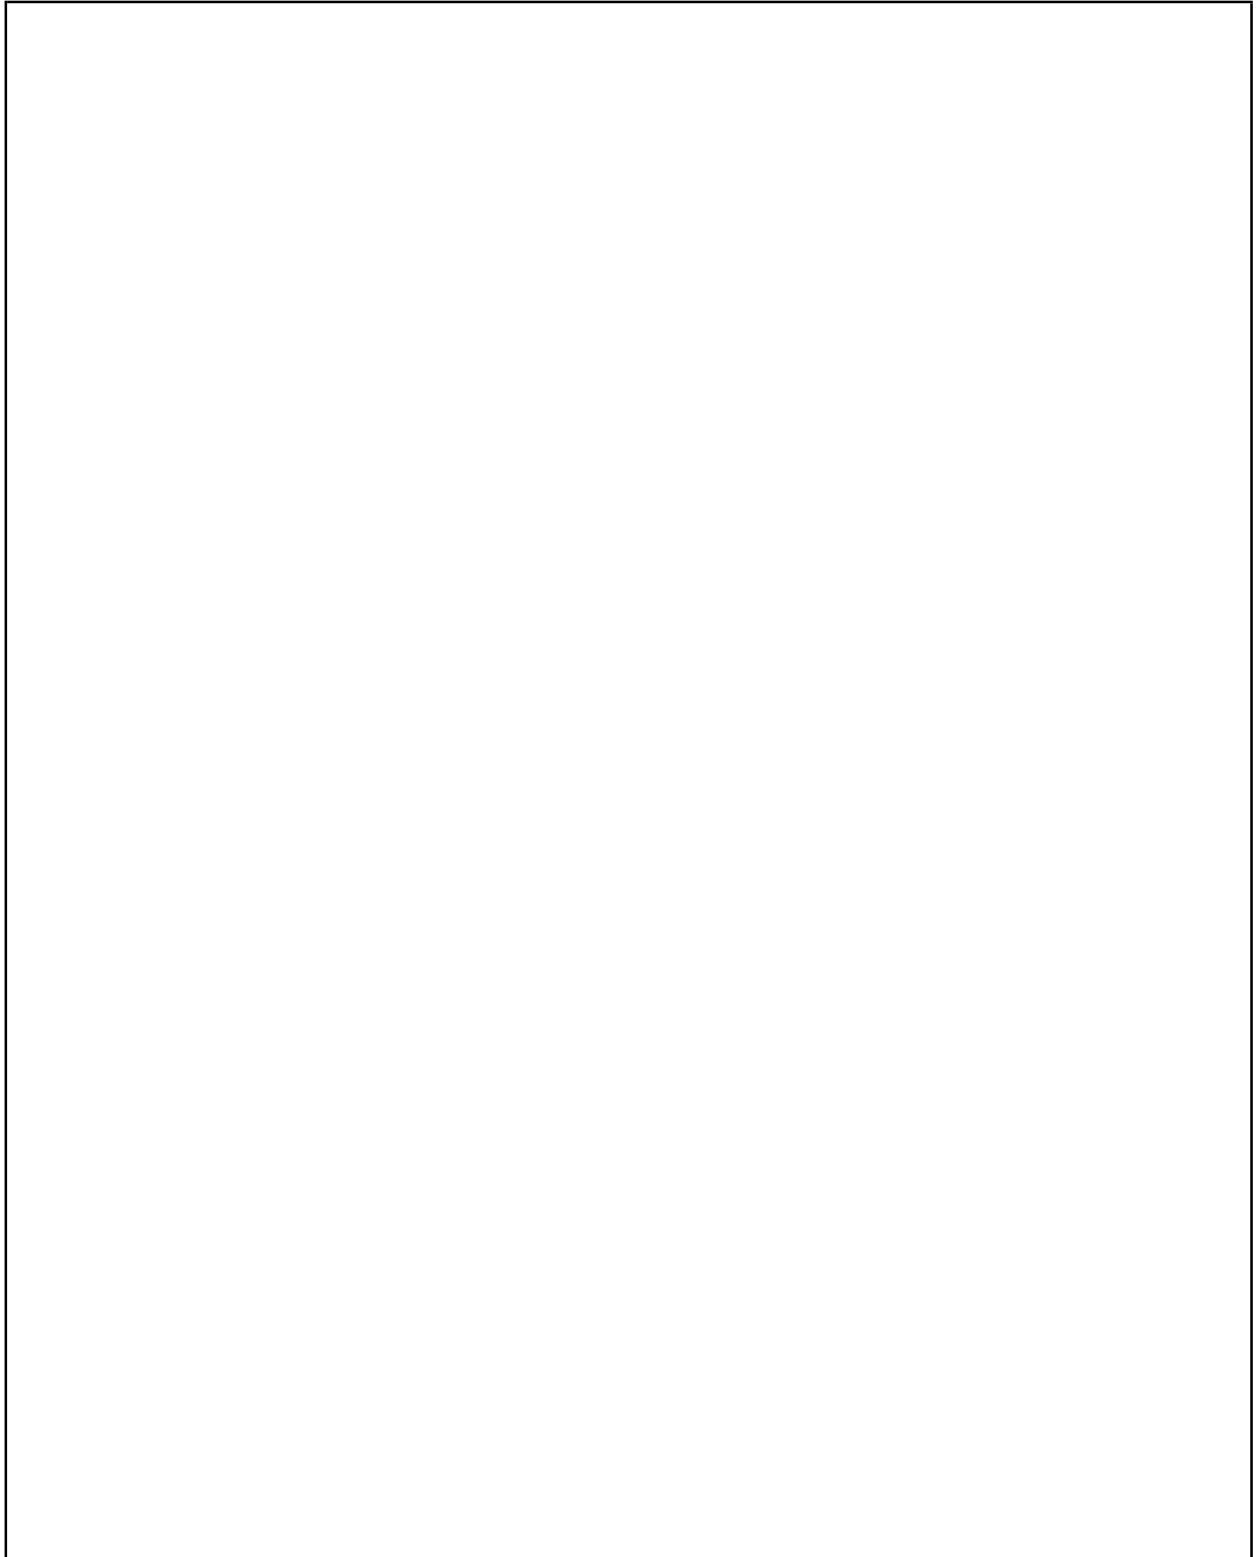

Courses for specific eligibility *Applicant's corresponding courses in Bachelor degree* *Local credits* *ECTS* *Local grade*

General				--
Mathematics				
Differential equations				
3D-CAD and visaulisation				
Rapid prototyping				
Mechanical Engineering				--
Mechanics				
Solid mechanics				
Thermodynamics				
Machine Elements				
Manufacturing				
Electrical Engineering				
Product development process				
Machine design				
Industrial Design*				--
The formgiving design process				
Sketching and presentation				
User centered design				
Ergonomics				

** To prove your capability in Industrial Design you are also welcome to submit a design portfolio as a PDF in your application.*

5. Motivation for choice of the programme track
Industrial Design Engineering

On University Admissions, Sweden, I have chosen this programme track as priority number:

A large, empty rectangular box with a thin black border, intended for the applicant to write their motivation for choosing the Industrial Design Engineering programme track.
