

YSEP

Young Scientist Exchange Program

Outline

Tokyo Tech offers two types of YSEP. In addition to conducting research under the guidance of an academic supervisor and taking the obligatory courses indicated below, students may also enroll in various other courses offered at Tokyo Tech.

A) YSEP Focused on Research (YFR)

Compulsory subjects (13 credits/year)

- YFR Research Seminar(2 credits × 1)
- YFR Research Project (6 credits × 1)
- Topics on Japan (1 credit × 2)
- Fieldwork skills course (1 credit × 1)
- Study on Japanese companies and industries (1 credit × 2)

B) YSEP for Experiencing Japan (YEJ)

Compulsory subjects (7 credits/semester)

- YEJ Research Project (4 credits)
- Topics on Japan (1 credit)
- Fieldwork skills course (1 credit)
- Study on Japanese companies and industries (1 credit)

Eligibility

- Students must be enrolled in degree programs at partner universities which have tuition waiver agreements with Tokyo Tech.
- Students must have completed at least 3 years (for YFR) or 2.5 years (for YEJ) of undergraduate studies, but not have yet completed a master's degree at their home university, when they enter the YSEP.

Application Deadline

- **Spring Admission** : August 20
- **Autumn Admission** : The end of February

Period of Study

- **YFR One Academic Year** (4 quarters)(September to the following August)
- **YEJ One Academic Semester** (2 quarters)
(Spring : March to August OR Autumn : September to the following February)

Financial Support*

- **Tuition and fees** : Application fee, admission fee and tuition fee for this program will be waived.
 - **Scholarship** : YSEP students may have an opportunity to receive a JASSO scholarship.
 - **Accommodation** : YSEP students receive priority in room allocation. Since the number of dormitory rooms is limited, Tokyo Tech cannot guarantee every student a room.
- *For details, please check with the exchange coordinator at your home university.

Note : The number of exchange students we accept each year is limited. Please consult with the student exchange officer at your home university.

ACAP

Academic Cooperation Agreement Program

Outline

The ACAP offers exchange students the opportunity to study and do research under the guidance of an academic supervisor at Tokyo Tech. Students may also enroll in courses with the permission of the course instructor and their academic supervisor.

(Undergraduate students who are in their final year of a bachelor's degree program or possess this academic equivalency may enroll in graduate courses offered in English. Some courses might impose conditions for attendance on undergraduate students, such as the completion of basic subjects.)

Eligibility

- Students have to be from partner universities with tuition waiver agreement.
- Undergraduate (2nd year or above) and graduate students

Application Deadline

For students applying for a JASSO scholarship (Admission is only in either April or September)

- April admission: December 10
- September admission: The end of February

For students NOT applying for a JASSO scholarship (Admission can be in any month)

Application deadline / The 10th of the month which is more than three months prior to the desired start date (e.g. For admission on September 1, the deadline is May 10).

Period of Study

From 3 months to 1 year (For JASSO scholarship recipients, the period must last from 2 quarters (a semester) to 4 quarters (a year) .)

Financial Support*

- **Tuition and fees** : Application fee, admission fee and tuition fee for this program will be waived.
- **Scholarship** : ACAP students may have an opportunity to receive a JASSO scholarship.
(For students applying for this scholarship, the period of study must start in either April or September and last from 2 quarters (a semester) to 4 quarters (a year) .)
- **Accommodation** : ACAP students take priority when rooms are being allocated but we cannot guarantee each student a room, since the number of dormitory rooms is limited.

*For details, please check with the exchange coordinator at your home university.
