Application documents list

The application documents list must be submitted together with your application. For further information, please see the directions and information on the 2nd page of this document. Incomplete applications or those without correct documentations will NOT be processed.

No hard copies of application documents are needed to be posted to KTH. (无需纸质申请材料寄达 KTH).

Please sort the required documents as instructed in the checklist.

1.	☐	Please complete the online application (no need for the print-out for this step).
2.	☐	One copy of this application form duly signed.
3.	☐	Duly certified copies of your transcripts of records from undergraduate level till now, including courses and grades along with information on the grading scale. If these are in a language other than English, certified copies of the original documents and a translation will be required. This is required for **Full PhD and Guest Doctoral Study applicants only.**
4.	☐	Duly certified copies of your university degree certificate from both undergraduate and graduate levels. If you have not completed your studies, please include a written statement from your department, school or university, giving your expected completion date. If these are in a language other than English, certified copies of the original documents and a translation will be required. This is required for **Full PhD and Guest Doctoral Study applicants only.**
5.	☐	Proof of English proficiency. TOEFL Internet-based test overall 90 (written test minimum grade 20); or IELTS overall 6.5 with no sub-score below 5.5. A copy of the test results provided by TES or British Council. **Please do NOT request ETS/British Council to send to KTH directly.** The proof of English proficiency may be waived if English is the only language of instruction of your current or previous studies.
6.	☐	CV including education and professional experiences.
7.	☐	Publication list (only the title/s of the publication/s are needed).
