Statement on what information can be published about you

You are taking **IS1204 IT Project Course, Part 2**, Spring 2016.
The course team will publish information on the course web at:
        http://www.kth.se/social/course/IS1204/

In this statement you choose which information can be published by KTH inb connection with this course.

On program source-code

In this project you will create and modify software. You must always write youe name in any file you create or modify. Example:
        /* Modified by Ture Teknolog 2016 */
If KTH is not allowed to publish your name, you **must** write "Modified by Anonymous Student" instead.

Publishing my name

☐ **Yes,** KTH may publish my name	☐ **No,** KTH may not publish my name
Your name may appear in files, posters, reports, drawings, and other material posted online. You write "Modified by" followed by your own name at the top of program source-files to which you are one of the authors.	The group must make files, posters, source-code, reports, drawings and other material anonymous, so that your name is never included. You write "Modified by Anonymous Student" at the top of program source-files to which you are one of the authors.

Publishing my portrait

☐ **Yes,** KTH may publish photos of me	☐ **No,** KTH may not publish photos of me
Your image may appear on posters, photos, reports and other material posted online.	Your image may not be published. The group must never include your image in posters, reports and other material. KTH may only publish images where you are not shown or can not be identified.

Publishing video clips

☐ **Yes,** KTH may publish videos of me	☐ **No,** KTH may not publish videos of me
Video clips showing you can be uploaded online and/or be shown to students and other persons to promote the course.	Video clips of you may not be published or shown by KTH. Whoever is doing the filming may have to ask you to step out of reach of the camera, and to keep quiet during filming.

Signature

I have read and understood the above, and I allow/disallow publishing as marked by me.
