Homework Set #4

> The intention is that you do the exercises yourself. Oral discussion (without using pen/paper) between students is allowed, but the solution should be written down individually.
>
> The homework must be submitted one day before each tutorial session either on paper (before 6 PM) or via email (before mid night).
>
> Every correctly solved problem gives 1 point, partially correct gives 0.5 point, mostly wrong 0 point.
