

# FLIXBUS

## Intern Network Planning Nordics (m/f) in Berlin

FlixBus is a European long-distance mobility provider with headquarters in Munich, Berlin, Milan, Paris, Zagreb, Amsterdam and Stockholm. Since 2013, FlixBus has offered a new, convenient and green way to travel which suits every budget. Thanks to a smart business model and innovative technology, the startup has established Europe's largest intercity bus network in less than four years and has no intention of stopping to expand anytime soon.

### Your tasks:

- You support the continuous development, planning and optimization of our route network with focus on Nordics.
- You manage your own projects within the International Network Planning team
- You collect relevant data in order to set up and analyze important KPIs
- You collaborate closely with our various Network Planning teams as well as other departments within our company

### Your profile:

- Currently enrolled student with a background of Transportation Management, Spatial Planning, Geography, Transportation Engineering, Urban Planning, Applied Economics or Mathematics
- Interest in mobility and the long-distance bus market
- Good knowledge of MS Office, particularly in Excel
- High communicational skills and ability to take ownership of your tasks
- Organizational skills as well as accuracy, enthusiasm and humour
- Teamplayer and the ability to work structured even in times of pressure
- Fluent in English; knowledge of danish or swedish is a plus

### Our perks:

- The possibility to work flexibly, goal oriented, and independently in an experienced and professional team
- Once in a lifetime chance to participate in the development of the next big thing in a totally new and innovative market
- The chance to develop and implement your own ideas

If you would like to rewrite the history of mobility with us then join our ride and send us your [online application](#).
