

March 20<sup>th</sup>, 2020

First meeting for SK2900

Quantum Photonics

<https://www.kth.se/social/course/SK2900/>

Course responsible: Val Zwiller, Ali Elshaari

Participation by: Klaus Jöns, Marijn Versteegh, Stephan Steinhauer

# Agenda

- Do we proceed with Zoom? Is the schedule right?
- Lab is a key part of the course, lab report is 'the exam'
- Lecture format:
  - Lecture based on distributed notes.
  - Attendance is mandatory: no show, no grade.
  - Student presentation (30 min) of an article followed by question.
  - Presenting a paper is mandatory: one question from each student!

We make a list of presentations for the coming weeks.  
Additional lectures may be added.
