Programme Coordinators and Student Support

Programme Coordinators:

- Course admission
- Visa extension and other kinds of certificates
- Official transcripts
- Study planning
- Master's degree project application and info
- Degree application and transfer of credits

Student Support

- For help with registrations, re-registrations, results, exams etc., find more information here: www.kth.se/en/eecs/student-support
Courses offered by EECS starts with D, E or I.

Academic year and registration

- The academic year is divided into two semesters (autumn and spring) and in four periods:
 - Autumn semester HT21: 30 August 2021 - 17 January 2022 (P1 and P2)
 - Spring semester VT22: 18 January 2022 - 7 June 2022 (P3 and P4)
- Register on your courses in period 1 by **6 September**.
- You apply to the courses in spring semester via University Admissions, information will be published in late October.
- You need to discontinue/make an early interruption of a course you don't want to take within three weeks of the period start (by **19 September**).

Credits and courses

- You should not exceed 120 ECTS, which means approx. 30 ECTS per semester. Language courses will be included in your programme credits.
- The courses that you start and aren't discontinued on time need to be completed.
- You need to take the courses according to your [programme syllabus](#)

FUNKA - Additional support for students with disability

- Funka is the department that coordinates compensatory support for students with disabilities at KTH.
- If you need help with study support please contact our FUNKA Coordinators, funka@kth.se
- Visiting address:
Drottning Kristinas väg 4, 100 44 Stockholm
Phone number: 08-790 75 00
- If you want to apply for support visit the homepage:
<https://www.kth.se/en/student/studentliv/funktionsnedsattning>

Student Health Services

- Stockholm Student Health Services complements the public healthcare that is available to residents of Sweden. As a KTH student you are welcome to contact them if you have health related issues. You can get individual support or join the workshops that are available.
- For more information visit the homepage <https://www.kth.se/en/student/studentliv/kropp-sjal/studenthalsan/valkommen-till-studenthalsan-i-stockholm-1.409886>

Video Student health services: <https://www.kth.se/en/student/studier/newatkth/degree-programme-stu/support-from-kth-1.703729>

Zero tolerance for discrimination and harassment

- KTH has adopted zero tolerance of all forms of discrimination, harassment, sexual harassment or victimization.
- If you need support when you feel that you have been discriminated, harassed, sexually harassed or victimized contact your appointed contact person at EECS, Sofia Norlander (sofiano@kth.se).
- Further information and contact details can be found here:
<https://www.kth.se/en/student/stodkontakt/stod/diskriminering/stod-och-anmalan-1.514516>

Video equality: <https://www.kth.se/en/student/studier/newatkth/degree-programme-stu/your-safety-and-rights-1.997848>

Covid-19

- From 2021-08-29 and onwards, most teaching and examination will be conducted on campus. Teaching and examination that benefit, or are equally beneficial, from being conducted in the digital environment, continue to be conducted digitally. The decision applies until further notice.
- Keep updated on the [KTH website](#)

If you are unwell

Stay at home if you experience any symptoms. If your condition worsens dial 1177 or visit [1177.se](https://www.1177.se) for healthcare advice. For emergency assistance, dial 112.

Wear a mask when recommended

Face masks are recommended in public transport at all times and in certain other situations. You are free to wear a mask in public at other times as well if you wish.

Respect signs and instructions

The signs on campus provide instructions from KTH that aim to limit the spread of the virus. Please follow them.

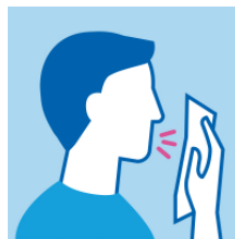

Keep your distance

Maintain physical distance from other people, both indoors and outdoors.

Wash your hands

Wash with soap and hot water frequently, for at least 30 seconds. Alcohol-based hand sanitiser can be used as well.

Sneeze and cough into your arm

Sneeze and cough into the bend of your arm or a paper towel.

Don't touch your face

Your eyes, nose and mouth are portals for virus to enter your system. Avoid touching your face.

Degree and graduation

- When you have completed your studies at KTH you need to apply for your degree certificate. You apply online through your personal menu.
- The Graduation Ceremony is usually held at City Hall twice a year (May and December). Due to Covid-19, the ceremony might be cancelled or conducted digitally.

Enjoy your time at KTH and remember...

- Keep yourself updated through the programme web and regularly check your KTH e-mail address. This is how we will inform you of important matters regarding your studies.
- Always include your personal identification number or t-number when e-mailing your coordinator.
- Attend your programme specific information meeting. For most of you it takes place this afternoon.
