Agenda – School Reception

- Welcome to KTH and EECS! – Markus Hidell
- Sweden, Stockholm and KTH
- Safety and Insurance
- Student Health
- Covid-19
- Rights and Responsibilities
- Break-out rooms
- Support and Services
- Studies and Administration
- Student Union & Chapters
- Questions (write in chat)

Use this menti number: **9629 3049**

Sweden

- 10 million inhabitants
- Constitutional Monarchy, unitary parliamentary
- Member of the EU
- Varied climate
- Home to many multinational companies
- Most Swedish people speak English

Stockholm

- Capital of Sweden
- Biggest city in Sweden
- Home to 2.1 million people
- Around 85,000 students (24 universities)
- Built on 14 islands (24.000 in the archipelago) connected by 57 bridges

KTH

- Established in 1827
- 13,500 full-time students
- 3700 full-time employees, 305 professors (46 women, 259 men)
- 5 schools
- Around one third of all students are from outside of Sweden

5 KTH Schools

- School of Architecture and the Built Environment (ABE)
- School Engineering Sciences in Chemistry, Biotechnology and Health (CBH)
- School of Electrical Engineering and Computer Science (EECS)
- School of Industrial Engineering and Management (ITM)
- School of Engineering Sciences (SCI)

KTH Campus Areas

KTH Campus

Main campus, Valhallavägen

KTH Kista

Some departments of EECS

KTH Flemingsberg

School of Engineering Sciences in Chemistry, Biotechnology and Health (CBH)

KTH Södertälje

School of Industrial Engineering and Management (ITM)

KTH Solna

The School of Electrical Engineering and Computer Science - EECS

- Established the 1st of January 2018
- Biggest School at KTH, located at two campuses
- 15 Master's programmes, 4 Master of Science
- 4 departments (16 divisions), 200 faculty members, 500 doctoral students, 4400 students.

QS Rankings 2021

KTH: 89

Electrical and Electronic Engineering:
18 (8 in Europe)

Computer Science & Information Systems:
42 (11 in Europe)

KTH Entré

- Central meeting point for service and information at Main Campus
- Help with KTH account, access card
- Accommodation Office

Drottning Kristinas väg 4 (Main Campus)
Monday - Friday 8:00 - 16:30

Insurance:

All students are insured via KTH on the school premises and during travel to and from these.

Make sure you have sufficient medical insurance coverage. More information, search for Student IN Kammarkollegiet.

Safety:

In case of emergency, call **112**.

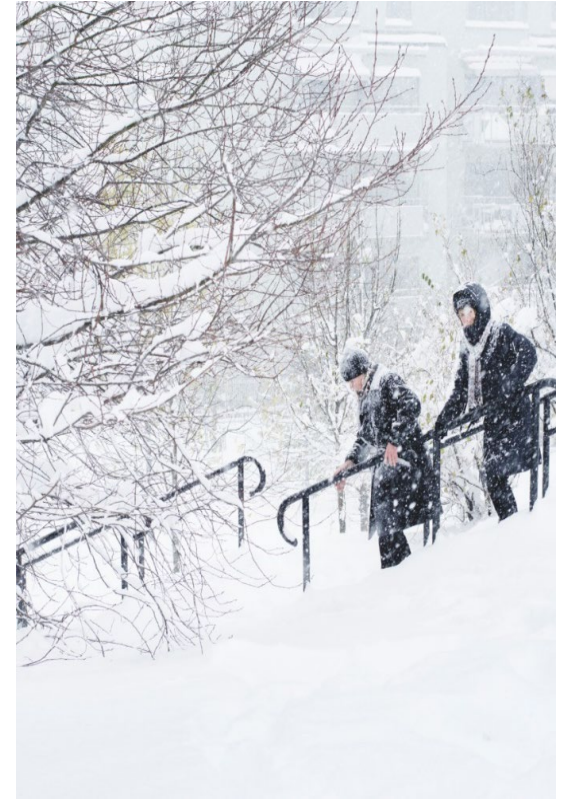

(Ambulance, police and fire brigade)

There's an app called SOS Alarm for notifications and possibility to share your location.

Within KTH **08-790 9900** to get in contact with security guard.

For serious accidents first call 112 then 08-790 7700.

When you are on campus, always keep your ID with you.

Health Service

Study related:

Stockholm Student Health Services,
Located at Stockholm University campus,
Stockholm Student House

- nurse and counselor services, groups, workshops and other activities.
- bound to confidentiality
- free of charge
- 08-674 77 00
- studenthalsan@su.se

Injury/illness:

Health care guide – call **1177** for advice

Support for students with disabilities:

KTH strives to provide equal opportunities to all students.

Students with disabilities are offered the support necessary to enable them to carry out their studies on the same terms as other students.

Contact: funka@kth.se

Covid-19 - Sweden

The Public Health Agency (Folkhälsomyndigheten) is responsible for Sweden's actions to prevent spread of Covid-19.

<https://www.folkhalsomyndigheten.se/the-public-health-agency-of-sweden>

<https://www.krisinformation.se/en>

Overall society important information from public agencies, the state and the municipalities.

The restrictions can change quickly, keep yourself informed on new restrictions.

Stay at home if you feel sick! Call 1177 if you are experiencing any symptoms for further medical advice.

Covid-19 - KTH

A range of modifications on campus have been implemented to limit the spread of COVID-19. These adaptations are continuously monitored, and they will be modified if necessary.

- Limitations on group sizes will vary according to activities and settings, for example through scheduling and planning of teaching activities
- Designated seating for physical distance in classrooms, labs and lecture halls
- Hand sanitizer dispensers in lecture rooms and all student areas
- More frequent cleaning and disinfection of interiors, including toilets, door handles and handrails

Stay updated: <https://www.kth.se/en/aktuellt/covid-19/our-covid-19-response-1.996938>

Drop-in vaccination on January 21st on campus from 9.00-15.30. (no Swedish personal number required but bring your vaccination card).

Rights and Responsibilities

Disciplinary actions may be taken against students who:

For example:

1. try to mislead
 - by using aids during an examination that is not allowed
 - by plagiarizing someone else's essay/homework
 - by letting someone else add their name to an attendance list, despite not being present
2. act in a disruptive manner at the university
3. subject another student or employee at the university to harassment or sexual harassment

Examples of rights: student counseling, course evaluations, Student Union, ...

More information on www.kth.se (search for Rights and responsibilities)

KTH Code of Conduct for students

The KTH Code of Conduct clarify some of the expectations of you as a student at KTH. In short:

- All students and staff at KTH have the same rights, opportunities and obligations, regardless of sex, transgender identity or expression, ethnicity, religion or other belief, disability, sexual orientation or age
- Equal treatment at KTH implies a respectful and inclusive work and study environment
- Discrimination, harassment, sexual harassment and victimization may be grounds for disciplinary action

More information on www.kth.se (search for Code of Conduct)

Break-out rooms

Time to get to know each other!

The task is to find one common feature in your group – more special and creative the better.

Libraries and academic support

Main library at KTH Campus (KTHB)

Sweden's largest library for technology with a vast selection of books, scientific journals and databases.

Open:

Monday-Thursday 08:00 – 21:00;

Fridays 8:00-19:00;

Saturdays 10:00-16:00

KTH Kista and Södertälje have local libraries.

Open: 7-23 in Kista

Academic Resource Centre (ARC) offers academic support

- Tutorials on information management
- Career Development
- Language Café
- Study technique

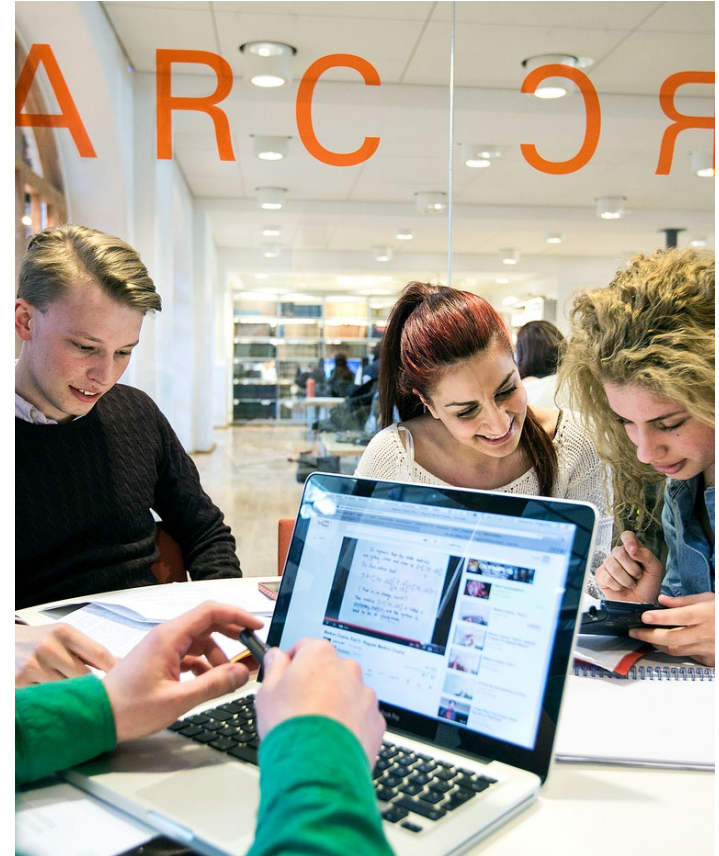

KTH account

Your KTH account is the personal identity in the KTH central user database.

- E-mail account
- Access to computers in computer rooms
- Access to wireless network
- Access to IT-services such as the personal menu

Access cards

The KTH access card gives you access to computer rooms and relevant entrance doors

24 hours

Card + code from 18:00-07:00

KTH print

Course administration process

Selection → Admission → Registration

You should be admitted to the courses that you have selected before you came to KTH. Check your pages.

For changes/updates contact your coordinator!

No later than 31st of January!

Some courses may be difficult to join at a later stage, e.g. project based courses.

Registration to courses

Study period 3 (P3):

From January 13th through January 24th

Study period 4 (P4):

From March 17 through March 28

More information on www.kth.se

The screenshot shows the 'My services' page of the KTH student portal. The navigation bar at the top includes 'Marina', 'Schedule', 'Courses', 'Programme', 'Groups', and 'Services'. The main content is organized into two columns. The left column, titled 'Manage my studies', lists various services under different categories: 'Study results' (including 'Result of completed courses' and 'Course result via Current education'), 'Participation in education' (including 'Registration via Current education', which is highlighted with a red box, and 'Non-completion (studieavbrott) and cancellation via Current education'), 'Examination' (including 'Exam registration via Current education' and 'Written exams'), and 'Certificates' (including 'Transcripts', 'Degree Certificate', and 'Cases'). The right column, titled 'Other selected services', lists various administrative and support services such as 'Administrera din telefonanknytning och röstbrevlåda (Office web)', 'Antagningsdata (NyA webben)', 'Användardatabas (UG)', 'Articles and books (KTH Library)', 'Available computers in computer lab', 'Diariet (W3D3)', 'E-mail (Webmail)', 'Egenrapporteringen (HR+)', 'Employee benefits (KTH for me)', 'Fakturahantering (Agresso)', 'Fillagring i molnet (KTH Box)', and 'Forms'. A mouse cursor is visible over the 'Forms' link.

My pages

KTH-email under "My pages"

- Overview your studies, schedule, register for courses, cancel courses.
- Create transcripts of your studies, certificate of registrations etc. and sign up for exams on Ladok. You also find your results on exams here.

<https://www.student.ladok.se>

The screenshot displays the Ladok student portal interface. At the top right, the 'Ladok' logo is visible. The main content is organized into sections:

- Home page:** A blue-bordered box containing the text "Sign up for examinations" and "You can sign up for 1 examination now".
- Register:** A section listing a course: "Mechanics I - SG1112" (9.0 hp). It indicates "Registration closes in 2 days" and shows a "Not registered" status. A "Show more" dropdown and a "Register" button are present.
- Current courses:** A section listing two courses:
 - "Structural Engineering, Basic Course - AF1005" (7.5 hp) with a "Registered" status and a "Show more" dropdown.
 - "Mechanics, Addition Course - SG1301" (3.0 hp) with "Registration opens in 3 days" and a "Not registered" status, also featuring a "Show more" dropdown.

At the bottom, there are two columns of links:

- Contact the university:** Includes a link for "Student at KTH".
- External links:** Includes links for "Accessibility statement", "Acceptable Use Policy", and "Cookies".
