

Digital Open House

Learn more about the Master's Programme in Engineering Physics and the research in physics at the KTH physics departments

Tuesday April 26, 2022

15:00-18:00 (CEST - Central European Summer Time)

Albanova University Center, 4th floor & Zoom

We offer you

- Inspiring discussions and talks
- Lab tours to our research labs
- A possibility to meet faculty members
- A possibility to discuss future career or thesis work
- A possibility to learn more about the Master's Programme in Engineering Physics or get individual study advice
 - Food and beverages

Welcome!

Let us inspire you!

This activity is arranged by the Master's Programme in Engineering Physics at KTH in collaboration with the Department of Physics and the Department of Applied Physics.

6 parallel activities

Tentative schedule for Open House 2022

The posters & mingle area is open the whole time!

Activities marked in red are available online - see detailed schedule for links

Time	Director's room	Biomedical physics	Optics & photonics	Quantum technology	Subatomic & astrophysics	Theoretical physics
15:00-15:30	15:15 Welcome address	Posters & mingle	Posters & mingle	Posters & mingle	Posters & mingle	Posters & mingle
15:30-16:00	Q&A: Masters Programme	Posters & mingle, TBA	Photonics & society	Posters & mingle	Alumni discussions	Talks: Theoretical physics
16:00-16:30	Mingle	Q&A: Biomedical physics	Course structures & successful Alumni	Lab tour: Quantum Circuit Measurement	Alumni discussions	Q&A: Theoretical physics
16:30-17:00	Mingle	Acousto-fluidic technology demo	Standing scientific problems & emerging industry	Starting up a Quantum Technology company	Albanova telescope tour	Posters & mingle
17:00-17:30	Individual study advice	Lab tour: Experimental biophysics	Telecom's past and future	Posters & mingle	Panel discussions	Q&A: Theoretical physics
17:30-18:00	Individual study advice	Posters & mingle	Quantum photonics and nanophotonics	Lab tour: Quantum Nano-photonics	Posters & mingle	Q&A: Theoretical physics

More detailed information and a registration link is found at

<https://www.kth.se/social/program/ttfym/page/open-house-8/>

where you will find updated information about the schedule

Please register in advance (latest on April 20).

This will allow us to make last minute adjustments based on your interests.
