

LH207V Research Supervision, 3 hp – VT 2013 English

The course **LH207V Research supervision, 3 hp**, is customized for research supervisors at KTH. It gives 3 academic credits and is a part of the course package on teaching and learning in higher education, offered by KTH Learning Lab.

Course content:

The framework for doctoral education
Quality in doctoral education
The "how to" of supervision
The goal is an independent researcher
Gender and diversity
Leadership and relation
Supporting the development of research skills
Getting finished
Supervision philosophy statements

Course leaders

The course is lead by a team of experienced supervisors at KTH. Coordinating course leaders are Professor Lars Kloo and Khalid El Gaidi, KTH-ECE Learning.

Course meetings

April 11, 13.15-16.00 at KTH
April 17, 13.15-16.00 at KTH
April 24, 13.15-16.00 at KTH
A two-day stay at a conference center, lasting from May 15 at 08.45 to May 16, at 16.15.
May 22, 13.15-16.00 at KTH
June 4, 13.15-16.00 at KTH
June 13, 13.15-16.00 at KTH

Scope

3 credits correspond to 80 hours workload. In addition to the scheduled time you will do about 45 hours of work, in terms of literature and preparations for meetings, and a larger final assessment task.
Note! Register for the course only if you can attend the meetings and do the required work outside scheduled hours.

Who can take the course?

The course is designed for those who have co-supervised at least one doctoral student for at least a year.

Registration

Registration form is available at www.learninglab.kth.se. The fee 6 100 SEK covers the actual cost of literature, materials, cost of boarding and refreshments at meetings. The course itself is free.

You can sign up for the course at the following link

<http://www.webforum.com/form/learninglab/form.asp?sid=539274552>

If you cancel later than two weeks before the start of the course, a cancellation fee of 2000 SEK will be charged.
