Course contents

Course Description:

This course deepens students' knowledge of artistic approaches in relation to the discipline of architecture. The course objective is to open up, reflect, and make art using alternative perspectives and methods. The focus is on developing and critically reflecting on the process of making art.

The course is divided into two parts.

Examination

- MOM1 - Moment 1, 1.5 credits, grading scale: P, F
- MOM2 - Moment 2, 1.5 credits, grading scale: P, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

Other requirements for final grade

The learning outcomes are examined through the records of the design process, and through the outcomes of the course specified assignments. To achieve the approved level (pass) students must have approved tasks, including 80% attendance at lectures, seminars, tutorials and reviews.

Special regulations for completion apply. The rules for completion can be found on the programme web.

Ethical approach

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
