Grading scale

P, F

Education cycle

Second cycle

Main field of study

Architecture

Language of instruction

The language of instruction is specified in the course offering information in the course catalogue.

Intended learning outcomes

Course contents

The course consists of a series of lectures and seminars presentations relate to a architecture frågeställning. All students produce material for a final examination.

Specific prerequisites

A student must have completed compulsory courses from one academic year at the Master's programme in Architecture or the Advanced Level of the KTH Degree Programme in Architecture, or equivalent (60hp).

Examination

- MOM1 - Moment 1, 3.0 credits, grading scale: P, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

Other requirements for final grade

A requirement for examination is 80% attendance and active participation at lectures, seminars and tutorials. Completed and approved written assignment.

Special regulations for completion apply. The rules for completion can be found on the programme web.

Ethical approach

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
