

AD1IWW IWAU Workshop 3.0 credits

IWAU Workshop

This is a translation of the Swedish, legally binding, course syllabus.

If the course is discontinued, students may request to be examined during the following two academic years

Establishment

Course syllabus for AD1IWW valid from Spring 2009

Grading scale

P, F

Education cycle

First cycle

Main field of study

Architecture

Language of instruction

The language of instruction is specified in the course offering information in the course catalogue.

Intended learning outcomes

On completing the course, student shall during an intense working period be able to analyze an urban context on site.

Course contents

During the course, students develop the capacity to, together with architecture students from other European schools, elaborate strategies and design proposals for the studied site.

Disposition

The course consists of a preparatory seminar in Stockholm, journey to the studied site, intense workshop on site during seven days and final presentation.

Specific prerequisites

The course is directed towards students at the KTH Architecture program.

Course literature

To be announced at the introduction to the course.

Examination

- MOM1 - Moment, 3.0 credits, grading scale: P, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

Other requirements for final grade

Active presence at preparatory seminar, journey to the studied site with workshop and presentation.

Ethical approach

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
