

AD1KR2 Figure Drawing 2 3.0 credits

Kroki 2

This is a translation of the Swedish, legally binding, course syllabus.

Establishment

Course syllabus for AD1KR2 valid from Autumn 2009

Grading scale

P, F

Education cycle

First cycle

Main field of study

Architecture

Specific prerequisites

Students at the architecture program, KTH.

Language of instruction

The language of instruction is specified in the course offering information in the course catalogue.

Intended learning outcomes

The overall objective of the course is to enhance the student's ability to draw after a living model. After the course, the student shall have developed the ability to observe, to sketch, to use technical drawing tools and to give a personal expression to the work. The student shall also be able to apprehend the most important constructive elements in a model's position.

Course contents

Drawing after a living model under the supervision of a teacher.

Disposition

7 sessions of two hours each, during evenings.

Examination

- MOM1 - Moment, 3.0 credits, grading scale: P, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

If the course is discontinued, students may request to be examined during the following two academic years.

Other requirements for final grade

At least 70% presence and fulfilled assignments.

Ethical approach

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
