

AD235V Architectonic Reconstructions 7.5 credits

Arkitektoniska rekonstruktioner

This is a translation of the Swedish, legally binding, course syllabus.

Establishment

Course syllabus for AD235V valid from Spring 2011

Grading scale

P, F

Education cycle

Second cycle

Main field of study

Architecture

Specific prerequisites

University studies of 60 credits (hp) and Swedish B/Swedish 3 and English A/English 6 or equivalent.

Language of instruction

The language of instruction is specified in the course offering information in the course catalogue.

Intended learning outcomes

The objective of the course is to give an overview of the reconstruction as a working method within architecture.

After the course, students shall

- have a comprehensive knowledge of the role of reconstruction in old and modern architecture
- be able to analyze reconstructions from a theoretical perspective
- be able to problematize reconstructions from a cultural heritage perspective
- be able to discuss qualitative differences between original and copy

Course contents

The course consists of lectures, seminars and literature that deal with the theory and history of architectonic reconstructions from several thematic aspects: museal reconstructions; reconstructions after war and disaster; recreated national or regional monuments; ritual reconstructions; qualitative differences between original and copy.

The course contains obligatory literature, which is examined at the seminars.

The course includes an individual assignment, which consists of a short written essay and an oral presentation at a final seminar.

Disposition

The course consists of about six whole days at KTH.

Course literature

Meddelas i samband med kursstart.

Examination

- MOM1 - Lectures and Seminars, 5.0 credits, grading scale: P, F
- MOM2 - Individual Assignment, 2.5 credits, grading scale: P, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

If the course is discontinued, students may request to be examined during the following two academic years.

Other requirements for final grade

To obtain the grade passed on the whole course, both moments must be passed. 80% attendance on all tuition is required.

Ethical approach

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
