

FAG3178 Seminars in Planning and Decision Analysis 4.5 credits

Seminarier i planering och beslutsanalys

This is a translation of the Swedish, legally binding, course syllabus.

If the course is discontinued, students may request to be examined during the following two academic years

Establishment

Course syllabus for FAG3178 valid from Spring 2020

Grading scale

P, F

Education cycle

Third cycle

Language of instruction

The language of instruction is specified in the course offering information in the course catalogue.

Intended learning outcomes

After completing the course, the student will:

- Be able to present and discuss their own research work based on a written material

- Be able to discuss and formulate constructive criticism of colleagues' research work
- Be able to actively participate in a scientific discussion

Course contents

Presentations of the student's own research in the form of seminar papers and short oral presentations

- Active participation in seminar discussions

Specific prerequisites

Participants need to be accepted into a PhD programme in planning studies, urban and regional studies, or a related field.

Examination

- HEM1 - Home assignments, 4.5 credits, grading scale: P, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

Ethical approach

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
