

FAH3467 Literature Course in Transport Systems, major course 15.0 credits

Litteraturkurs i transportsystem, större kurs

This is a translation of the Swedish, legally binding, course syllabus.

If the course is discontinued, students may request to be examined during the following two academic years

Establishment

Course syllabus for FAH3467 valid from Autumn 2013

Grading scale

Education cycle

Third cycle

Specific prerequisites

Meet the requirements to be admitted to doctoral studies.

Language of instruction

The language of instruction is specified in the course offering information in the course catalogue.

Intended learning outcomes

The PhD student shall develop her/his knowledge of a research literature of particular relevance for her/his doctoral studies.

Course contents

The PhD student assimilates through independent studies the literature that has been assigned by the supervisor in the form of scientific articles, books, book chapters or other materials.

Course literature

Assigned separately for each individual studies.

Examination

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

P/F

The examination shall be designed so that the examiner can be convinced that the PhD student has assimilated the entire course content.

Ethical approach

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
