If the course is discontinued, students may request to be examined during the following two academic years

#### **Establishment**

Course syllabus for HN1010 valid from Autumn 2008

## **Grading scale**

P, F

## **Education cycle**

First cycle

## Main field of study

Technology

#### Specific prerequisites

#### Language of instruction

The language of instruction is specified in the course offering information in the course catalogue.

## Intended learning outcomes

#### **Course contents**

Computerized exercises in handling user account and files. Exercises in word processing and calculation. Introduction to computer programming.

#### **Examination**

• RED1 - Report, 1.5 credits, grading scale: P, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

#### Ethical approach

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
