- ÖVNA - Practical Assignment, 4.0 credits, grading scale: A, B, C, D, E, FX, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

Written examination and practice assignment consisting of two parts

## **Other requirements for final grade**

Passing grade on the exam, passing grade on the practice assignment as well as documented attendance for obligatory modules

Overall course grade is based on grading scale A-F

## **Ethical approach**

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
