## Examination

- PRO1 - Project, 7.5 credits, grading scale: P, F

- TEN1 - Examination, 7.5 credits, grading scale: A, B, C, D, E, FX, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

Project assignment, 50%.

Written exam, 50%.

## Other requirements for final grade

The student needs to pass both the project assignment and the written exam. The final course grade is based on the grade of the written exam.

## Ethical approach

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
