Examination

- INL1 - Assignment, 2.5 credits, grading scale: P, F
- PRO1 - Project, 3.0 credits, grading scale: P, F
- INL2 - Assignment, 2.5 credits, grading scale: P, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

If the course is discontinued, students may request to be examined during the following two academic years.

Home assignments and exams of the literature (INL1; 2,5 cr and INL2; 2,5 cr)

Project assignment: Account of a test (or field study) with integration of digital media as a support for learning (PRO1; 3 cr)

Other requirements for final grade

Examination by:

Home assignments and exams of the literature (INL1; 2,5 cr and INL2; 2,5 cr)

Project assignment: Account of a test (or field study) with integration of digital media as a support for learning (PRO1; 3 cr)

Ethical approach

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
