FLH3000 Basic Communication and Teaching, LH201V Learning and teaching or equivalent courses in Teaching and Learning in Higher education, of at least 3 credits.

Language of instruction

The language of instruction is specified in the course offering information in the course catalogue.

Intended learning outcomes

After the course, as a supervisor and examiner, you should be able to:

- plan, carry out, analyse and develop courses for independent work
- choose and apply methods for supervision of independent work
- supervise students individually and in groups
- create preconditions that favour students' independence, commitment and development
- examine and grade students' independent work during the process and the final work

Course contents

Structure of degree projects

Supervision types, methodology and structure

Reflection over the role of academia in the society

Oral and written communication as well as plagiarism

Assessment and grading

Disposition

Blended.

Course literature

Artiklar, litteratur och filmer som delas ut vid kursstart samt under kursens gång.

Equipment

A computer with a microphone and a camera.

Examination

- TEN1 - Written Exam, 3.0 credits, grading scale: P, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

Written examination and independent practical labs using selected learning material.

Other requirements for final grade

Course meetings are compulsory.

Ethical approach

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
