Grading scale

P, F

Education cycle

First cycle

Main field of study

Specific prerequisites

General admission requirements Applicants to the course are not required to have prior knowledge in Italian.

Intended learning outcomes

The intended learning outcomes for the course are at level A1, with certain elements at level A2 according to the CEFR, the Common European Framework of Reference for language, and aim to strengthen the student's global competence.

On completion of the course, the student should be able to:

- use the language in speech and writing in simple everyday situations (A1)
- in Swedish, understand and account for information from different elementary texts (A1)
- identify facts from simple authentic texts (A2)
- identify the main contents in a shorter oral presentation on familiar topics (A1/A2)

Course contents

Overview of the basics of Italian grammar, as well as pronunciation and intonation. Listening comprehension and spoken communication exercises Reading comprehension exercises on simple texts with different contents. Writing exercises. Aspects of Italy's culture, society and technical development.

Examination

- KONA - Assessment, 1.5 credits, grading scale: P, F
- LEXA - Continuous Assessment, 6.0 credits, grading scale: P, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

If the course is discontinued, students may request to be examined during the following two academic years.

In agreement with the KTH coordinator for disabilities, it is the examiner who decides to adapt an examination for students in possession of a valid medical certificate documenting a disability. The examiner may permit other examination formats at the re-examination of individual students.

Other requirements for final grade

All examination parts passed.

75% attendance.

Transitional regulations
