Course literature

Det ordnar sig - teorier om organisation och kön. Wahl, Holgersson, Höök och Linghag. Studentlitteratur 2011

Män har varit här längst. Jämställdhet och förnyelse i industriella organisationer. Wahl och Linghag. Studentlitteratur 2013

Articles about gender and technology

Examination

- PRO1 - Project Assignment, 6.0 credits, grading scale: A, B, C, D, E, FX, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

Ethical approach

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
