

# MG2200 European Business Culture 7.5 credits

## European Business Culture

This is a translation of the Swedish, legally binding, course syllabus.

### Establishment

Course syllabus for MG2200 valid from Autumn 2007

### Grading scale

A, B, C, D, E, FX, F

### Education cycle

Second cycle

### Main field of study

Mechanical Engineering

### Specific prerequisites

### Language of instruction

The language of instruction is specified in the course offering information in the course catalogue.

### Intended learning outcomes

## Course contents

The course covers topics in business studies and intercultural communication. The business studies aspects of the programme concentrate on the international environment in which engineering and management operates today and the issues with which the international production manager is commonly faced. Students will study intercultural business communication, investigate the business culture and environment of the EU-countries, and receive training in business research methods.

## Course literature

Will be announced at course start.

## Examination

- INL1 - Assignment, 3.0 credits, grading scale: P, F
- TEN1 - Examination, 4.5 credits, grading scale: A, B, C, D, E, FX, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

If the course is discontinued, students may request to be examined during the following two academic years.

## Other requirements for final grade

Assignments (INL1; 3 cr)

Exam (TEN1; 4,5 cr)

## Ethical approach

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
