First cycle

#### Main field of study

**Technology** 

#### Specific prerequisites

General admission requirements.

#### Language of instruction

The language of instruction is specified in the course offering information in the course catalogue.

## Intended learning outcomes

#### Course contents

#### **Examination**

• TEN1 - Digital examination, 1.0 credits, grading scale: P, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

#### Ethical approach

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
