If the course is discontinued, students may request to be examined during the following two academic years

## Establishment

The official course syllabus is valid from the fall semester 2023 in accordance with the decision by the Head of the ITM School: M-2023-1246. Date of decision: 2023-06-27.

## Grading scale

P, F

## Education cycle

First cycle

## Main field of study

Technology

## Specific prerequisites

## Language of instruction

The language of instruction is specified in the course offering information in the course catalogue.

## Intended learning outcomes

On completion of the course, the student should be able to:

- account on a general level for socioeconomic phenomena and be able to discuss economic policy activities based on the student's own values

## Course contents

Socioeconomic phenomena such as unemployment, inflation, growth and foreign trade

## Examination

- SEM1 - Seminar, 1.5 credits, grading scale: P, F

Based on recommendation from KTH's coordinator for disabilities, the examiner will decide how to adapt an examination for students with documented disability.

The examiner may apply another examination format when re-examining individual students.

A seminar built on facts that the student has looked up and sent to the teacher before the seminar.

## Ethical approach

- All members of a group are responsible for the group's work.
- In any assessment, every student shall honestly disclose any help received and sources used.
- In an oral assessment, every student shall be able to present and answer questions about the entire assignment and solution.
