

# Programme syllabus

[An accessible version of the syllabus can be found in the Course and programme directory.](#)

## Bridging programme for architects with foreign qualifications 120 credits

Kompletterande utbildning för arkitekter med avslutad utländsk utbildning

*Valid for students admitted to the education from autumn 19 (HT - Autumn term; VT - Spring term).*

This is a translation of the Swedish, legally binding, programme syllabus.

# Programme objectives

Knowledge and understanding

Skills and abilities

Ability to make judgements and adopt a standpoint

## Extent and content of the programme

## Eligibility and selection

## Implementation of the education

### Structure of the education

Each academic year consists of two semesters which are 20 weeks each, and each semester is further into two study periods.

### Courses

The programme is course-based. Lists of courses are included in appendix 1.

### Grading system

Courses in the first and the second cycle are graded on a scale from A to F. A-E are passing grades, A is the highest grade. The grades pass (P) and fail (F) are used for courses under certain circumstances.

Grading scale is found in the course syllabus.

# Conditions for participation in the programme

Participation requires admission to courses within the programme and course registration.

For further studies, special admission requirements for the course are to be fulfilled. Special admission requirements are listed in the respective course syllabus.

Appendix 1 - Course list

Appendix 2 - Programme syllabus descriptions

# Appendix 1: Course list
