Programme syllabus

An accessible version of the syllabus can be found in the Course and programme directory.

Bridging programme for engineers with foreign qualifications 120 credits

Kompletterande utbildning för ingenjörer med avslutad utländsk utbildning

Valid for students admitted to the education from spring 20 (HT - Autumn term; VT - Spring term).

This is a translation of the Swedish, legally binding, programme syllabus.
Programme objectives

Knowledge and understanding

Skills and abilities

Ability to make judgements and adopt a standpoint

Extent and content of the programme

Eligibility and selection

Implementation of the education

Structure of the education

Each academic year consists of two semesters which are 20 weeks each, and each semester is further into two study periods.

Courses

The programme is course-based. Lists of courses are included in appendix 1.

Grading system

Courses in the first and the second cycle are graded on a scale from A to F. A-E are passing grades, A is the highest grade. The grades pass (P) and fail (F) are used for courses under certain circumstances.

Grading scale is found in the course syllabus.
Conditions for participation in the programme

Participation requires admission to courses within the programme and course registration.

For further studies, special eligibility for the course is required. Requirements for special eligibility are specified in the respective course syllabus.
