See information in the Swedish programme syllabus.

Implementation of the education
**Structure of the education**

See information in the Swedish programme syllabus.

**Courses**

The programme is course-based. Lists of courses are included in appendix 1.

**Grading system**

Courses in the first and the second cycle are graded on a scale from A to F. A-E are passing grades, A is the highest grade. The grades pass (P) and fail (F) are used for courses under certain circumstances.

**Conditions for participation in the programme**

In connection with the compulsory enrollment, the student must register for courses via the "Personal Menu" at www.kth.se

**Degree project**

Degree Project is not included in the technical preparatory year.

**Degree**

The program will give eligibility for engineering programmes and will not lead to a degree.
